### Key to Activity 3-A (side 2): Assessing the Injured Child—*For Trainer Only*

---

- My arm hurts
- I want my Mommy!

- Anthony fell off trying to go down the fire pole
- Other children were on the platform above the pole.

- We were playing a game to see who could climb up the ladder and go down the fire pole the fastest.

- Maybe someone pushed Anthony so he'd go down the pole faster.
